

This is How it Works:

- Select an appropriately sized instrument, preferably with your child present.
- Complete the rental/purchase agreement using a valid photo ID and major credit card.
- Pay a deposit plus the first month's rent and then you're all set. The deposit is equivalent to 2 month's rent. (cash, check, Visa, Mastercard and Discover are all welcome)
- All payments apply toward purchase and you may trade toward a larger size or upgrade instrument at any time. There is no obligation to purchase, you can just rent if you like.
- Damage Protection Coverage is available at an additional fee to protect against accidental breakage of the instrument or bow. (theft, willful damage/destruction or mysterious disappearance are not covered).
